Boy Scout Troop 35 Quarterly  
1st Quarter 2007

## Scouts In Service

A very important part of scouting is being involved in community service. Amongst the projects this quarter were an Eagle project at Quail Hollow and pancake breakfast at the Knights of Columbus.

Part of a trail had decayed and the project consisted of clearing the path of debris, gathering larger rocks as a foundation and then finishing with smaller rock and filler.

At the pancake breakfast, the scouts provided serving, refill and cleaned up services to the Knights of Columbus who had the breakfast to benefit needy families and children at Christmas.

## Fall Camporee

The camporee was a district wide campout at Seven Ranges. The theme was Team Building. The scouts (as a patrol) went to stations set up all over the camp and worked on various team building exercises. The Webelos from pack 35 were also in attendance at this event.

## Camp Avery Hand

Saturday we went on a hike using both compasses and a GPS system, the scouts and adults were taught some good tips on how to orientate a map and how to use a GPS system. We visited the bird sanctuary at the camp in which we were able to feed birds such as Blue Birds, Cardinals, and sparrows right out of our hands. There were many different larger birds such as Falcons, Buzzards and an American Eagle. Later in the day the scouts ran an obstacle course and some of the scouts rolled down a hill in a large drainage pipe. Sunday before leaving we explored the COPES course. We were unable to perform any tasks, but discussed coming back next summer to run the course.

## Camp Manatoc

We had amazing weather for the father/son cabin campout. Our cabin was next to the camp's obstacle course, so naturally that had to be fully utilized. The camp had various marked trails so day and night hikes were in order. On Sunday the day turned so nice that jackets were an optional piece of equipment.

## Highlights of Upcoming Events

(dates are shown on the events calendar)!

The Klondike Derby will be held at Seven Ranges and is a district wide campout. The scouts as a unit will be rotated thru different "stations" designed to educate and enhance the experience.

In February we will be going to Camp Rodman. It is a small rustic camp which makes it perfect for one unit use. There are plenty of trails and lots of woods in this little "oasis" from the outside world. It is located between Louisville and Alliance on route 173. Yes, this is a tent campout so it will count towards the Polar Bear badge.

The March campout will be at Camp McKinley located in Columbiana County near Lisbon. The camp is Buckeye council's most historic site. It was home to President McKinley's grandparents for a number of years and has nearly unlimited primitive camp sites.

### Annual Registration

The annual registration fee for Scouts and Scout Leaders will be due on January 30<sup>th</sup>. The fee covers registration with Council, Boy's Life Magazine, Insurance and awards. A separate flyer is available with details.
